

Terms and conditions of sale valid from 1 May 2022

The Federal Mint Swissmint issues new special coins in various minting qualities several times a year on dates published in advance. In addition to the special coins, coin sets from the corresponding year can be issued. The current general terms and conditions (GTC) of the Federal Mint Swissmint apply.

Article quality

The offer of an issue can consist of the following article categories:

Article category

- Uncirculated bimetal
- Proof bimetal
- Uncirculated silver
- Proof silver
- Proof gold (two different issues)
- Special boxes with coins
- Brilliant uncirculated classic coin set
- Proof classic coin set

Volume discounts per article

Depending on the article, there may be a volume discount. Volume discounts will be granted on request.

Possible volume discount per article
From 10 units
From 50 units
From 100 units
From 500 units

* No volume discount on Proof coins with a certificate from the artist and on small editions

Quantities of several articles purchased from one article category cannot be combined to obtain the volume discount.

Postage and delivery charges

The delivery address is decisive for billing.
